

Welcome to a new year of chess. This year we are starting with tournaments online, to ensure the safety of all involved. We will continue holding virtual tournaments at least through January, at which point we will hope in-person tournaments will be an option again 😊.

This past summer we successfully transitioned to an online format for summer camp and we look forward to bringing the same dedication and creativity to our regular tournaments. Of course, this will be our first year holding online tournaments, so we will all be learning together.
